All classes have size limits to maintain our student/teacher ratio. Ratio is based on class level, students age, and facility capacity. All classes will be filled on a 1st paid basis and we will not hold space without payment. Some classes may be combined or canceled according to enrollment.

Supervision is provided by FreeState only in the gym during class time and for enrolled class students. Parents are responsible to supervise their children in the office/lobby/restroom/waiting areas/ parking lot before and after class or whenever the student has to leave the gym floor without their teacher. Instruction time begins with the warm-up so please arrive on time. Late arrivals who have missed significant lead up activities may be excluded from portions or entire remainder of that days class.
