**SEVERE WEATHER:** In the event of severe weather conditions (snow, ice, etc.) please call the gym (301-987-7060) and listen to the recording. Should we be forced to close due to the weather, we cannot guarantee class make-up opportunities or credit for missed classes. **We do not follow** Montgomery County Public School closings.

**CLASS OBSERVATION LIMITED:** There is EXCELLENT observation available from the upstairs waiting room, no spectators in the gym. For reasons of safety and successful instruction, children must focus on their skills and their teacher. So that the students' and their teachers' attention is not divided between class and parents, parents are politely excluded from the gym floor. Insurance regulations really do restrict the gym to students and staff only.
