FREESTATE GYMNASTICS PARTY

Welcome to Freestate Gymnastics, Inc. Birthday Party Program! One of our most successful programs has been our Birthday Party Program. The parties are 90 minutes long and consist of approximately 60 minutes in the "gym" and 30 minutes in our party room. The gym activity time is a mini gymnastic class, strictly supervised, easy, safe and of course fun! Our staff will lead the children in cooperative games, gymnastics obstacle courses, and trampoline! Party participants utilize the equipment in the gym according to age, ability, availability, and instructor discretion. When the gymnastics portion of the party has been concluded the children walk upstairs to our party room for 30 minutes of opening presents and enjoying refreshments provided and supervised by the host parent.

FREESTATE PROVIDES:

Freestate Gymnastics, Inc. provides you with party invitations which include a map to the gym and a liability release form which your guests are required to complete and bring with them to gym for party admittance. We have a refrigerator/freezer to use for your needs but FreeState provides no food, condiment, paper goods or tableware. The Party Child receives a special memento. Each child will receive a 10" helium filled balloon compliments of the gym. The staff of Freestate Gymnastics will set up and breakdown the tables and chairs in our party room, organize and lead all the activity in the gym.

RESERVATIONS / CANCELLATIONS:

Party must be paid in full at the time of contracting your party. A \$75 cancellation fee will be held and the balance of the party refunded in case of cancellation by party host. If FreeState must cancel for weather or other reasons, the gym will refund in full. There are no other refunds or credits. A \$25.00 Service charge is placed on all returned checks.

Rules and restrictions on back must be read and signed!
